This letter is to appeal the Administrator's Decision on Appeal Funding Year 2001-2002. I believe there is a basis for further examination of our application.

- The issue is a simple typographical error. There was no intent to defraud. A valid 470 is involved, switching to it did meet requirements. See the attached 470 filed by Mississippi Department of Information Technology Services. ITS filed a state master contract as the state technical agency. Therefore, our agency did not need to file a separate 470 for internal connections. We go by the 470 filed by ITS covering everyone in the state of Mississippi.
- The discussions with your agency on July 20, 2001 internal connections were not discussed. See memorandums dated July 20, 2001 and July 23, 2001. We were trying to get internal connections. There was no reason to state, "we didn't want it."

- ITS was posted for 28 days. They went through the proper bidding process. Our agency switching our 470 to 204490000291326 would make compliant.

In preparing the form 470, we attempted to follow the proper instructions. This process is difficult, to say the least. There has been no attempt to veer from stated guidelines, only an attempt to comply. In resolving this appeal, it is our hope all issues will be reconsidered favorably.

Sincerely,

Re: Billed Entity Number: 222436
471 Application Number: 239430
Funding Request Number(s): 568884, 569018, 569083, 569140
Your Correspondence Dated: August 20, 2001

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year Three Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 30-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number: ~~568884, 569018, 569083, 569140~~
Denied in full

- Your appeal claims that funds were denied because the Form 470 did not include service of this type. You stated that due to an error, you referenced the wrong form 470, contract dates, and contract numbers. You would like the SLD to change Form 470 to 204490000291326, contract dates to 6/20/2000, contract number to "land-server EPL" and approve funds requested.
- During the initial review process, you were contacted requesting a 470# that posted for internal connections. The phone call was made on 7/20/01. You responded to the reviewer saying that you had not posted for internal connections and understood that you would not receive funding for these FRNs.

- FCC rules require that except under limited circumstances, all new services ordered on the Form 471 be posted on the website for 28 days, and that applicants carefully consider all bids received before selecting a vendor, entering into an agreement or signing a contract, and signing and submitting a Form 471. *See* 47 C.F.R. §§ 54.504; 54.511(a), (c). These competitive bidding requirements help ensure that applicants receive the lowest pre-discount price from vendors. *See Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Order on Reconsideration, 12 FCC Rcd 10095, 10098 ¶ 9 (1997). The only exceptions to the posting requirement are for: (1) contracts signed on or before July 10, 1997 for the life of the contract; (2) contracts signed between July 10, 1997 and before January 30, 1998 (the date on which the website became operational) for services provided through June 30, 1999. *See* 47 C.F.R. § 54.511(c); *Fifth Reconsideration Order*, 13 FCC Rcd at 14916 *Fifth Reconsideration Order*, 13 FCC Rcd at 14916 ¶ 2, and 14920 ¶ 8 (extending Year One funding period through June 30, 1999).

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12th Street, SW, Room TW-A325, Washington, DC 20554. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted on the website at <www.universalservice.org>. You must file your appeal with the FCC no later than 30 days from the date on this letter for your appeal to be filed in a timely fashion.

We thank you for your continued support, patience, and cooperation during the appeal process.

- Funding request numbers 568884, 569018, 569083, and 569140, were not funded.
